

## Chryspac - We've got People!

CHRYSPAC began in 2001 as an ISO-9000 2015 certified company that provides *Offsite Workforce Solutions* including assembly, kitting, inventory management and fulfillment. Our services are customized to mirror our customers' in-house processes and may include capital investment in equipment for long-term projects. Contact us to learn about our professionally managed workforce augmentation solution. We can provide a fixed cost that will lower your Total Cost of Operation. Call us to meet our staff and arrange a tour of our 33,000 square foot facility conveniently located across from Mitchell International Airport.

130 West Edgerton Avenue  
Milwaukee, WI 5320
