

## Coronavirus Updates

**Wisconsin is requiring “safe and sound” practices of its residents, businesses and institutions. CHRYS PAC is “an essential business service” complying with these practices and has implemented protocols advised by the Center for Disease Control, the World Health Organization as well as state and local health authorities for the protection our employees, customers and suppliers.**

### **Our safety protocols require:**

- avoiding unnecessary face-to-face meetings
- substituting email, phone and video means of communication as alternatives
- pickup and delivery personnel are being restricted to a small area inside our plant
- non-essential admin staff is working remotely
- implemented additional cleaning procedures to maintain a safe work environment
- workers are maintaining social distancing of at least 6 feet separation
- all workers required to wear face mask and gloves
- continuous education and communications on condition changes and updates

## **CHRYS PAC - Still working for YOU!**

CHRYS PAC is a 20-year old ISO-9000-2015 certified company that provides *Offsite Workforce Solutions* including assembly, kitting, inventory management and fulfillment.
